

Social Security Administration Address Change

If you do not receive Social Security benefits, SSI or Medicare, you do not need to change your address with the Social Security Administration.

If you get Social Security benefits or are enrolled in Medicare, you can change your address **online**, **by phone**, or **in person**.

Online

Go to mySocialSecurity and following the instructions at the link below:

<https://www.socialsecurity.gov/myaccount/>

By Phone

If you get Supplemental Security Income (SSI), do not have a U.S. mailing address, or are unable to change your address online, you can call:

1-800-772-1213 (TTY 1-800-325-0778)

Business hours are Monday through Friday from 7 a.m. to 7 p.m.

In Person

Visit your local Social Security office. Find the closest office using the link below:
